NSP

Narratives**Summary of Distribution and Uses of NSP Funds:**

Two target areas were selected: Clayton State/Rex in the north part of the county and Irongate/Mundys Mill in the south. Each activity will be conducted in both target areas. The funds will be distributed as follows:

Mortgage assistance for home buyers and loan loss reserves - \$ 3,066,551

Demolition of blighted properties - \$350,000

Administration of the program - \$379,616

How Fund Use Addresses Market Conditions:

Since October, 2010, meetings were conducted with representatives of various housing stakeholders to discuss the foreclosure needs in Clayton County and explore all options to best utilize NSP funds. Collaborated efforts involving the County Departments of Community Development, Tax Assessment, Economic Development, Sheriff, Police, Office of Housing and Community Development and the Housing Authority of Clayton County. Private partners include lending institutions, GA Association of Bankers, Metro South Board of Realtors, appraisers, inspectors, builders, developers, housing counseling agencies, the local Community Housing Development Organization and other nonprofits. Based on the information gathering process, it was determined that the best use of the NSP 3 Grant funds would be Mortgage Assistance, Loan Loss Reserves and Demolition of blighted properties. The activities were selected to move Clayton toward a tipping point in housing recovery.

Ensuring Continued Affordability:

Clayton County will use the HOME Program standards for continued affordability for all NSP3 assisted homes, using Promissory Notes and Deeds to Secure Debt which contain recapture clauses.

Definition of Blighted Structure:

The Clayton County Code of Ordinances does not use the term "blighted structure" but does address "unsafe buildings" under article XIII Sections 18-555 and 18-556. Clayton County will use these "unsafe buildings" sections from its Code of Ordinances as its "blighted structure" definition for NSP3.

Definition of Affordable Rents:

For the purposes of NSP3, Clayton County defines affordable rents as the Fair Market Rents published annually by HUD for the Housing Choice Voucher program.

Housing Rehabilitation/New Construction Standards:

Clayton County will use as its NSP3 rehabilitation standards the County HOME Property Standards, which use the Georgia Uniform Code Act (ICC building code, National Electrical Code, etc.)

Vicinity Hiring:

If any new hires are needed, those who reside in the target areas would get priority as applicants. This information will be included in any newspaper advertisements for the jobs on the job application and in any Requests for Proposals for the work. We will also advertise through local sources most likely to be seen by residents in the vicinity by placing posters in stores, churches, daycare centers, etc. in the target areas.

Procedures for Preferences for Affordable Rental Dev.:

In the last few years Clayton County has experienced an extremely high single family foreclosure rate. Many of these homes were purchased by investors and used as rental property. We estimate that the percentage of single family rental housing in the county is as high as 60%. Rents are in a very affordable range, due to competition caused by the volume of rental property available. Therefore, Clayton County does not anticipate the need to create preferences for the development of affordable rental housing at this time. The focus of NSP 3 activities will be solely on increasing home ownership of affordable foreclosed single family housing in the NSP3 target areas.

Overall Progress Narrative:

NSP staff has been tracking the new Qualified Residential Mortgage requirements. Until the final plan is in place, our bankers do not know what their final requirements will be and we cannot proceed with our plan for Loan Loss Reserves.

At this point, few lenders will be able to provide a cash reserve throughout the duration of the loan. NSP 3 had selected Loan Loss Reserves as one of our activities to encourage local lenders back into the mortgage market. We were also planning to provide Mortgage Assistance which we may or may not be able to do. Until these issues are resolved and final regulations are put in place our Lenders cannot make a decision and neither can NSP.

NSP has designed an alternative plan and it would be easy to implement should the Loan Loss Reserve not be feasible. We also could use it with our Program Income Funds from the NSP 1. We are looking at other alternatives in case we need to make a change in this and submit a new amendment.

Activity Description:

We will work with local banks to provide loan loss reserves to them to encourage and enable them to aggressively re-enter or expand their home mortgage market in Clayton County. Bank regulators will determine the required amount each bank must reserve, and NSP will use this requirement as the basis for the amount for loan loss reserves for each participating bank.

Location Description:

Any foreclosed home in either of the two target areas - Clayton State/Rex and Irongate/Mundys Mill.

Activity Progress Narrative:

We have continued conversations with the Georgia Bankers Association and are waiting for the final regulations for a Qualified Residential Mortgage before determining if this activity will continue.
