Summary of Distribution and Uses of NSP Funds:

Three target areas have been selected: Clayton State/Rex in the north part of the county and Irongate/Lovejoy in the south and Jonesboro area in the middle of the County. Each activity may be conducted in any of the target areas. The grant funds plus program income will be distributed as follows, if the program income is available:

Mortgage assistance for home buyers: \$50,000
Demolition of blighted properties - \$379,000
Acquisition/Rehab: \$7,000,000
Redevelopment of vacant lots: \$6,000,000
Administration of the program - \$379,616 plus 10% of program income.

How Fund Use Addresses Market Conditions:

Beginning in October, 2010, meetings were conducted with representatives of various housing stakeholders to discuss the foreclosure needs in Clayton County and explore all options to best utilize NSP funds. Collaborated efforts involving the County Departments of Community Development, Tax Assessment, Economic Development, Sheriff, Police, Office of Housing and Community Development and the Housing Authority of Clayton County. Private partners included lending institutions, GA Association of Bankers, Metro South Board of Realtors, appraisers, inspectors, builders, developers, housing counseling agencies, the local Community Housing Development Organization and other nonprofits. Based on the information gathering process, it was determined that the best use of the NSP 3 Grant funds would be Mortgage Assistance, Demolition of blighted properties, acquisition/rehab, and redevelopment of vacant lots. The activities were selected to move Clayton toward a tipping point in housing recovery.

Ensuring Continued Affordability:

Clayton County will use the HOME Program standards for continued affordability for all NSP3 assisted homes, using Promissory Notes and Deeds to Secure Debt which contain recapture clauses. All recapture of funds will be from net proceeds from the sale of the home.

Definition of Blighted Structure:

The Clayton County Code of Ordinances does not use the term "blighted structure" but does address "unsafe buildings" under article III Sections 18-35. Clayton County will use these "unsafe buildings" sections from its Code of Ordinances as its "blighted structure" definition for NSP3.

Definition of Affordable Rents:

For the purposes of NSP3, Clayton County defines affordable rents as the Fair Market Rents published annually by HUD for the Housing Choice Voucher program.

Housing Rehabilitation/New Construction Standards:

Any gut rehabilitation or new construction will be designed to meet the standard for Energy Star Qualified New Homes.

Other rehabilitation will meet these standards to the extent applicable, such as when necessary to replace windows, doors, appliances, hot water heaters, furnaces, air conditioning units, they will be replaced with Energy Star labeled products. Water efficient toilets, showers, and faucets will be installed when those items are being replaced.

For rehabilitation, any system that is replaced or work that is done to the home will meet the Georgia Uniform Building Code (ICC Code) , as adopted and amended by Clayton County.

Vicinity Hiring:

If any new hires are needed, those who reside in the target areas would get priority as applicants. This information will be included in any newspaper advertisements for the jobs on the job application and in any Requests for Proposals for the work. We will also advertise through local sources most likely to be seen by residents in the vicinity by placing posters in stores, churches, daycare centers, etc. in the target areas.

Procedures for Preferences for Affordable Rental Dev.:

In the last few years Clayton County has experienced an extremely high single family foreclosure rate. Many of these homes were purchased by investors and used as rental property. We estimate that the percentage of single family rental housing in the county is as high as 60%. Rents are in a very affordable range, due to competition caused by the volume of rental property available. Therefore, Clayton County does not anticipate the need to create preferences for the development of affordable rental housing at this time. The focus of NSP 3 activities will be solely on increasing home ownership of affordable foreclosed single family housing in the NSP3 target areas.
